# HOT HONEY RYE

Experience the exceptional flavor of Catocctin Creek Hot Honey Rye, a meticulously crafted blend of 100% local Virginia rye, a unique tri-honey infusion, and a touch of hot chili peppers. Distilled in our copper pot still and aged in Loudoun County, VA, this handcrafted whiskey delivers a truly distinct taste that captures the essence of Virginia.

As you take in the aroma, you'll be greeted by inviting notes of wildflower honey and the luscious undertones of vanilla derived from the whiskey itself. The first sip reveals a delightful sweetness and smoothness that caresses the palate, accompanied by a satisfying richness and the unmistakable flavor of brown honey. But just when you think you've experienced it all, a surprising burst of pepper hotness adds an exhilarating zing, awakening your senses without overpowering the overall drinking experience.

Catocctin Creek Hot Honey Rye embodies the perfect balance between the warmth of local rye, the harmony of three Virginia honeys, and the tantalizing allure of hot chili peppers. Indulge in a whiskey that brings together the best of our region's flavors, creating a truly memorable and unique drinking experience.
